

COVID 19 policy

1. Clinic will follow current CDC and AVMA Covid-19 guidelines for health care and small businesses.
2. Masks must be worn by clients and all staff members.
3. If at any time I feel that guidelines are not being followed, I reserve the right to cancel any/all prearranged scheduled shifts if steps are not taken to remedy the situation. The fee for that day will be charged in full and all future dates will incur appropriate cancellation fees.
4. I will notify the clinic as soon as possible if I am not feeling well or have been exposed to anyone diagnosed with COVID 19. If, by mutual consent, the shift(s) are cancelled, no cancellation fees will be charged.
5. The clinic will inform me if any staff members have been diagnosed or are suspected of having COVID 19. Fees will not be charged if it is decided to cancel scheduled shift(s) for safety reasons.
